## PB4L Positive Behaviour for Learning Tokens & Token Collection Boxes

48mm Diameter Plastic Tokens | Perspex Collection Boxes | Made in New Zealand

Exquisite Products are New Zealand manufacturers and suppliers of the Positive Behaviour for Learning (PB4L) tokens in Australasia.

Many schools use these tokens for the PB4L programme, and many schools are now using them for other reward programmes running within their schools e.g. sporting, educational rewards, positive behaviour rewards, etc. Students deposit these tokens into their team banks and the winning teams are rewarded in different ways the school chooses e.g. mufti days, etc.

These PB4L programmes seem to be running very well as demand for tokens (with an increasing demand for the range of colours available of these tokens) has increased considerably throughout the country.

For more information on the PB4L programme, please see:

## • Australian Shipping & Costs

- All prices listed are in New Zealand Dollars. When purchasing from Australia, your invoice will be charged in New Zealand dollars and GST will be exempt from your invoice.
- The amount charged to your payment card will be at the current AUD/NZD exchange rate plus any international fees set by your credit card company. In addition to the product & freight costs, there is GST of 10% (which can be claimed back by your GST registered school), along with duty of approx 2.5% of your order value, and a customs electronic entry fee of approx \$100 per consignment. This will be charged to you by Australian Customs and requires payment before the product can be released and delivered by FedEx.
  - Eg. if your order value is \$5,000, there will be GST of \$500 (can be claimed back), duty of \$125 & customs electronic entry fee of \$100.
- Orders are shipped to Australia via FedEx. Delivery will be approx 15 working days from placement and payment of order.
