PB4L Positive Behaviour for Learning Tokens & Token Collection Boxes

48mm Diameter Plastic Tokens | Perspex Collection Boxes | Made in New Zealand

Exquisite Products are New Zealand manufacturers and suppliers of the Positive Behaviour for Learning (PB4L) School-Wide Framework incentive tokens and token collection boxes.

PB4L SCHOOL-WIDE FRAMEWORK

Initiated and funded by the Ministry of Education New Zealand, many New Zealand schools are successfully using our tokens to acknowledge expected behaviour from students within their school.

SCHOOL REWARD PROGRAMMES

Many schools in New Zealand and Australia are also using our tokens for other reward programmes running within their schools, such as sporting, academic, and positive behaviour rewards. Students deposit the tokens into their team banks and the winning teams are rewarded in different ways the school chooses, e.g. mufti days, movie days, sports days, school camps, team lunches and other incentives.

SAFE FOR ALL AGES

Our tokens are 48mm in diameter - complying with the current safety standards in place for children's products in New Zealand.

More information about PB4L can be found at: www.pb4l.tki.org.nz/PB4L-School-Wide, and www.education.govt.nz/school/student-support/special-education/pb4l/
